MY BESTIE

A person who CARES me beyond limits,
 A person who is with me at times of sorrow and of happiness
 One who encourages me then everyone else;
 One who is not from my family or relatives
 One who don't let me down
 Are you having one like mine ?
 So , Please tell him/her about the level you love them.....

Rabbits - Our Friends

Hi friend today I will tell you about rabbits the furry animals that only a few people keep in houses.

Rabbits eat plants, leaves, fruits and vegetables and they can also eat our food too..

RABBIT LANGUAGE

Rabbits communicate by body language.

For eg. when a rabbit suddenly put their ears down that means that they are scared. They show their happiness by jumping

HOW TO TAME A RABBIT

Rabbit can be tamed by using following steps;

- 1; you should pet them on their head.
- 2; you should feed them more hay and leaves.
- 3; don't keep them in small spaces and don't keep them alone for too long

Do you know that there are at least 305 breeds of rabbits in the world.
