Alumni Testimonials

“Being part of SSPS was more than just an academic journey, My name is Vani Vishnoi and I had the privilege of attending Sps during my 11th and 12th grades. Those years were some of the most formative and memorable times of my life. As a student, I was deeply involved in various activities, but one of my proudest achievements was serving as the captain of the basketball team. Leading the team was not just about winning games. I still remember the thrill of our matches, the camaraderie we built, and the unwavering support from our teachers and fellow students. The love and knowledge I received from the wholesome faculty remains deeply in my heart. As an alumnus, I am excited to stay connected with the school and contribute in any way I can.
