MY CORE VALUES

In a world so big, keep this in memory,

To live with love and **EMPATHY**.

RESPECT is something we all can show,

To friends and strangers we may not know.

TOLERANCE makes us strong,

And teaches us to bear too long.

Performing our duty is our **RESPONSIBILITY**,

It should be done with care and quality.

INTEGRITY is being honest all the time,

And doing what is right, that's the real sign.

And with **CARING** we can see, How kind the world can truly be.

~ Arshdeep Kaur (IV C)

EYES OF THE SOUL

His eyes

His eyes burn in light ,
brown and bold,
which stood my heart.

The eyes full of pure and love,
tell me to be loved,
but many sees that it's devil
one,

make my feelings Broken.

Whenever I had a eye contact,
my heart beat rise,
like the waves spring up,
which tells me to hold him
close tightly.

The color of Woody forest that
pulls me to stare at him,
eyes which speak loud,
to let him run,
but are jailed,
yet feels like nights sky.
