On February 10, 2025, Dr. Chandra Bhanu Satpathy ji *inaugurated a newly constructed Shirdi Saibaba temple* in Titlagarh, Odisha. Devotees from different corners of India actively took part in the Pran Pratistha ceremony. A Guru Bhagwat Tungi is also inaugurated on this day in the temple premises.

WE ALWAYS NEED YOUR BLESSINGS!

Our kindergarteners had a delightful visit to *Sai Mandir* and *Sai Garden*! At the temple, they offered prayers, listened to bhajans, and learned about kindness and gratitude in a peaceful setting. Later, they played games, explored nature, and bonded with friends in the beautiful garden, fostering teamwork and joy.

Republic Day Celebration

Shirdi Sai Public School celebrated India's **76th Republic Day** with great enthusiasm and patriotic spirit. The school campus was beautifully decorated in tricolor, reflecting the essence of nationalism. The event commenced with the hoisting of the National Flag by Honorable Director Ma'am accompanied by the melodious rendition of the National Anthem, instilling a sense of pride among all present. Students were guided to take pride in their nation's solidarity and unity and to celebrate the National festivals with great zeal.

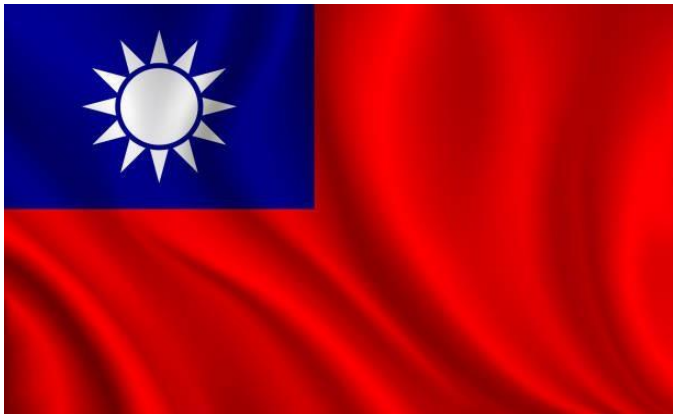

Guests from Sai International

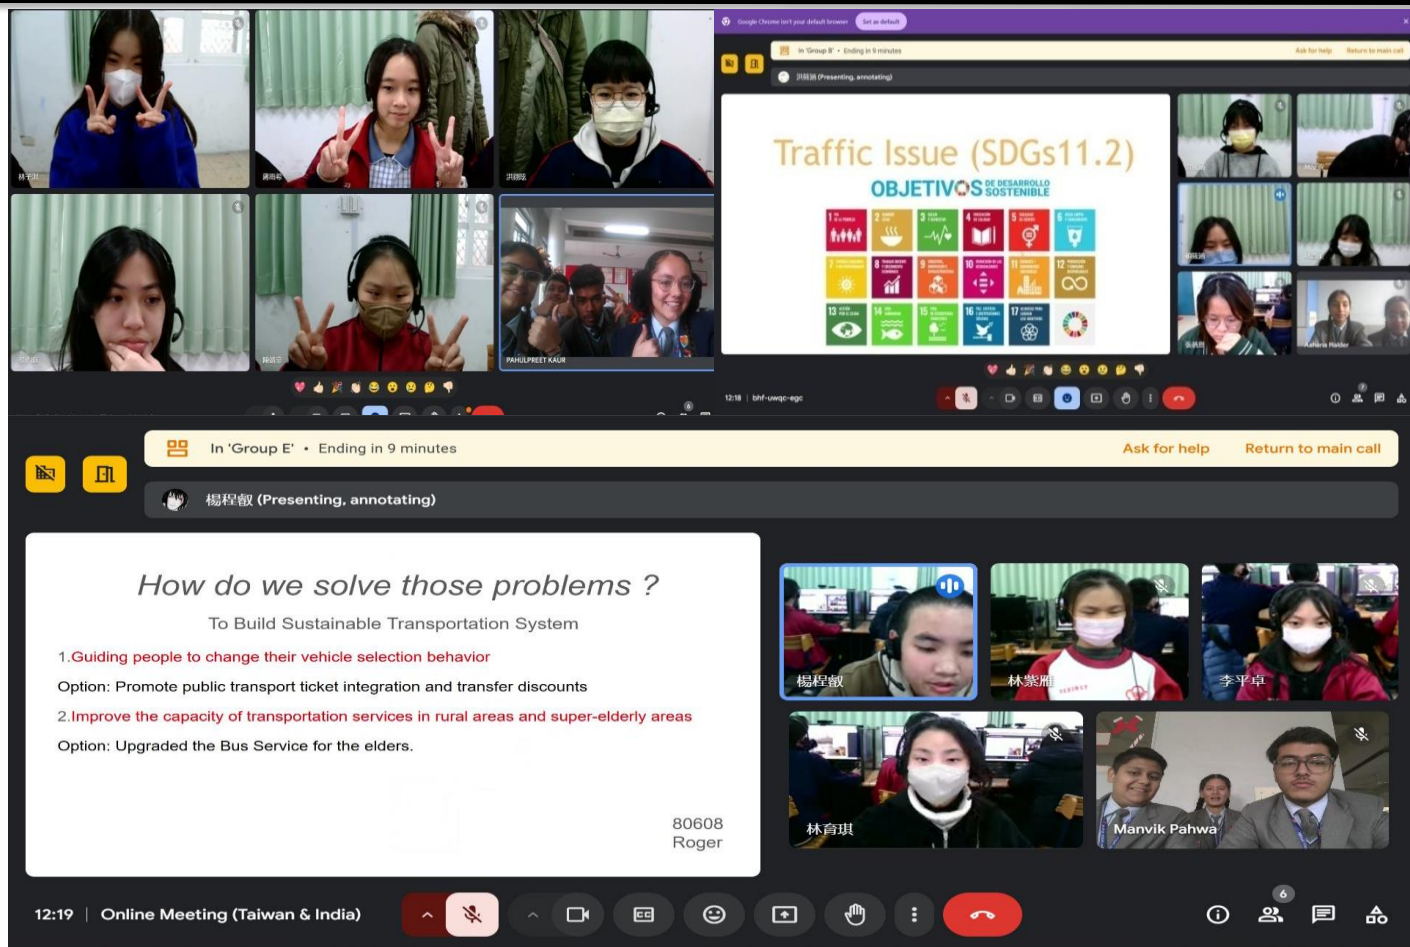

SSPS family had the immense pleasure to host *Ms. Shilpi Sahoo* Chairperson and Directors *from Sai International, Bhubaneshwar*. SAIITES presented a program to welcome the guests in the presence of our Honorable trustee Mr. Manoj Ahuja sir, Director Ms. Nalini Arora , Senior Principal Mr. Devasia and other dignitaries. Our guests toured the campus and witnessed the incredible learning environment we are fostering at SSPS.

Indo-Taiwan Student Exchange Program

SSPS held the 6th meeting of the *Indo-Taiwan Online Student Exchange Program*, Students engaged in enriching discussions, exploring the causes, challenges, and possible solutions related to road traffic in both countries. They examined factors such as congestion, road safety, infrastructure development, and the impact of traffic.

How do we solve those problems ?

To Build Sustainable Transportation System

- 1.Guiding people to change their vehicle selection behavior
Option: Promote public transport ticket integration and transfer discounts
- 2.Improve the capacity of transportation services in rural areas and super-elderly areas
Option: Upgraded the Bus Service for the elders.
