Alumni Testimonials

“As I look back on my time at Shirdi Sai Public School, my heart fills with warmth and gratitude. This school was not just a place where I studied—it was where I grew up, where I discovered who I am, and where I found the courage to dream. Every brick, every corner of the campus holds a memory, a lesson, a part of me. It was here that I laughed, stumbled, learned, and rose again—with my teachers and mentors by my side at every step. The love, patience, and guidance I received from my teachers cannot be put into words. They saw potential even when I couldn't, and for that I will forever be grateful. Their lessons continue to echo in my heart, shaping my choices, my values, and my journey forward. Shirdi Sai Public School has given me far more than an education—it gave me strength when I felt unsure, direction when I felt lost, and a sense of belonging that still warms my heart. I am proud and humbled to call myself an alumnus of this beautiful institution. Thank you—being my beginning, my safe space, and a part of me that I will carry with pride,
